Sekimoto!
Good morning-

Mornin',
Daisuke!

C'mere
C'mere

What's
he
doing?

I have
no
clue

It's been
like that
aaaaaaall
morning

THAT!
'SAEHARA'!

What?

Did you
see?
Did you
see that?

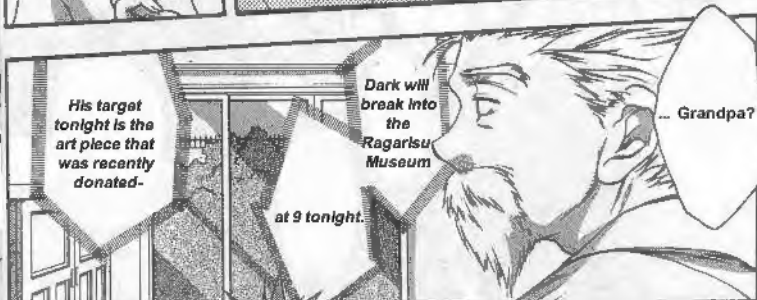

Grandpa
sent it!

Ah~ but
this time,
it wasn't me!

You don't
have to tell
me "all" the
time-

And don't
just send off
warning notices
all the time,
either.

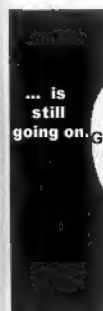

His target
tonight is the
art piece that
was recently
donated-

Dark will
break into the
Ragarisu
Museum

at 9 tonight.

... Grandpa?

... is
still
going on. Grandpa...

It was...

My double
life as the
phantom thief
Dark...

Even now,
when Riku-san
and I both like
each other-

Hiwatari-kun...
lives alone?

Yes... he didn't
come to school
today, you know.

So I just
need to
give this
handout to
Hiwatari-kun?

I could've just
faxed it to him,
but he lives alone,
so I'm a little
worried.

He never
talks about
himself, so
I never
know.

I see...
so
Hiwatari-kun
lives alone...

You seem to
talk to
Hiwatari-kun
often...

So could
you see how
he's doing?

It would
be pretty bad
if he's sick
or anything...

Daisukeeeee~

Huh?

I'm so
scared that
I can't
even TALK
to him-I

That's...
abnormal-I

一定有问题
一定有问题

Hiwatari-
kun?

Absent?

平常都是
第一个来的
的:

Come to t
hink of it,
where's
Hiwatari-kun?

Hiwatari?
Hmm...

I guess
he's absent
today...?

I wonder
what's
wrong...

Yo!

He-hello...

Yes...

嘩！
カキーン

I'm sorry, buuut-

Sa-Saehara?!
サエハラ？！

Aaaaagh~
I need to go to Hiwatari-kun's~!

I gotta talk to you for a sec.

Heeeeeelp~ Sekimoto~

Daisuke, I'll be going now!

... Come in.

I'm going home soo-

Ah... I needed to give you this handout...

What is it-?

Ah-Saehara you idiot!

I'm comin' in-

Your 'talk' is gonna have to come after Hiwatari-kun, okay?

He must be rich-

Heh~ so Hiwatari lives alone in a place like this, eh?

I know, I know.

So I guess we're here... Hiwatari-kun's home.

雖然沒掛名牌

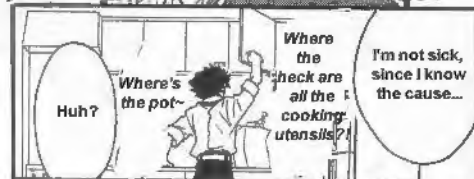

And you can get sick if you don't eat well~

No...

Hiwatari-kun, did you go to the hospital?

You don't eat well since you live alone~

Huh?

Where's the pot~

Where the check are all the cooking utensils?!

I'm not sick, since I know the cause...

As you wish...

Hey, Hiwatari, I'm using your kitchen.

Click...

無

I can't refuse.

It's kinda messy though.

Th- then, just for a little while...

And I feel much better after seeing you...

That's... good...

Ah... hah hah hah...

I'll keep it "open".

Oh yeah...
"this" "type" of lock is "no" "match" for "you"...

I think I came into a really scary place~

It's a habit...

sorry about that...

"She" was there...

In between all the guards and police and visitors...

So I went to investigate as well.

You did say you wanted to talk about something...

Can you listen to what I have to say now?

So now that we're done eating and visiting-

I've just "STARTED".

So case closed, then

Mulling over something just isn't a conclusion "me"!

I thought about it over and over again all day! And I came to the conclusion!

Maybe...

but that's not my concern. My concern is...

This girl?

I wonder if she came to look at the art piece...?

A picture of a girl?

Dark sent out a warning notice yesterday, you know?

It's this!

LOOK!

They're not going to call me...

Tonight...

Oi, Daisuke!

I'm really sorry!

Sorry, Saehara! I have a couple of errands to run!

and "where" is she from...

"Who" is she,

Hiwatari...?

At least she's not from this area...

That's what you wanted to talk about!

Ah! So THAT'S it!

Because Dark's target tonight...

Isn't of the 'Hikari' family...

What does this mean...

There isn't a match even on the national scale.

If I don't go home now, I'm gonna be late!

Oh no! It's already 8 o'clock!

The one
Seehara
mentioned

That girl!

Dark!
It's her!

Yeah

Kaitou .
Dark-san ..?

So I guess
I'll take it
easily tonight
as well~

...

Ah~

It's so boring
without
Hiwatari
around-

Hiwatari-kun...?

Would you take it away from her when she's pleading you like that?

Whaddya mean, you 'can't refuse a beautiful girl's request'...?!

I nearly DIED of embarrassment!

... Well I can't just TAKE it...

Then... I promise I'll give it to you...

Then... I beg you!

Please wait just one more day!

...Precisely

You came to take this, didn't you...

Please... just one more day...

Yeah...

Come to think of it... I wonder how she got in...

... No...?

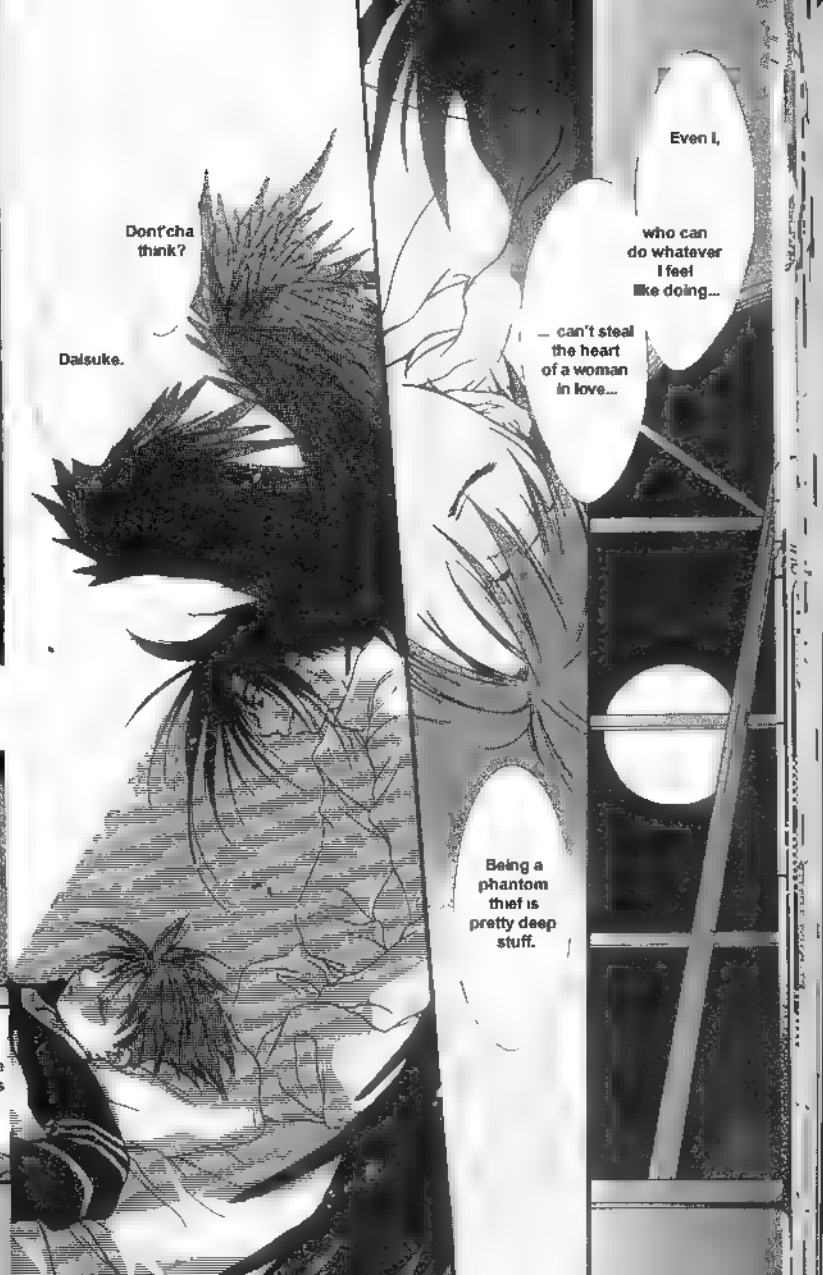

I can't refuse a beautiful girl's request, after all.

Why not?

The security
just sucks—
that old man...

Even if
Dark did fall...

Don't cha
think?

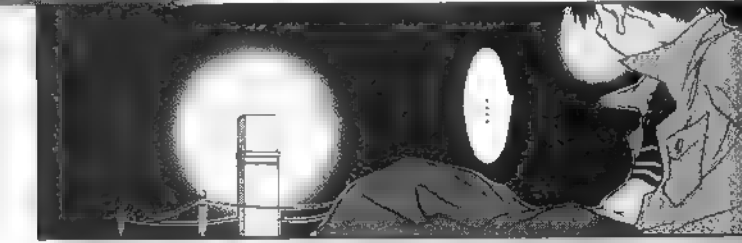

Daisuke.

Even I,

who can
do whatever
I feel
like doing...

— can't steal
the heart
of a woman
in love...

Being a
phantom
thief is
pretty deep
stuff.

Course
she
can't
always
be
there...

there just
last night...

She
was

That... necklace is Dark's target...

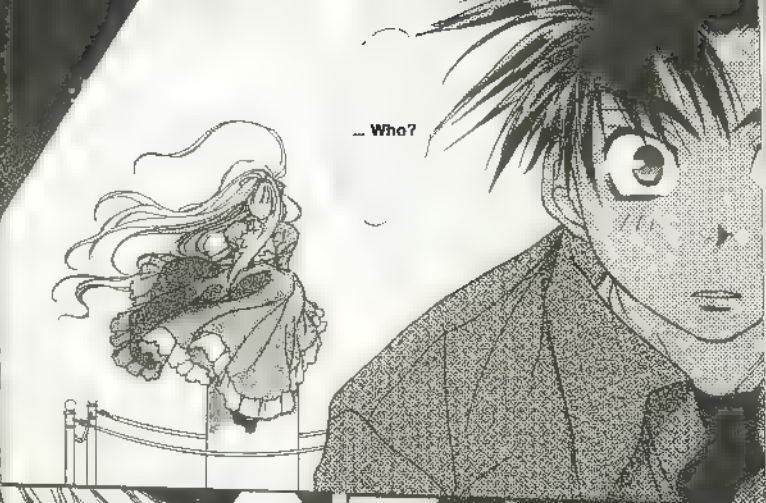

Yes...

is it yours?

I asked him to wait just one more day...

I'm waiting for my precious person...

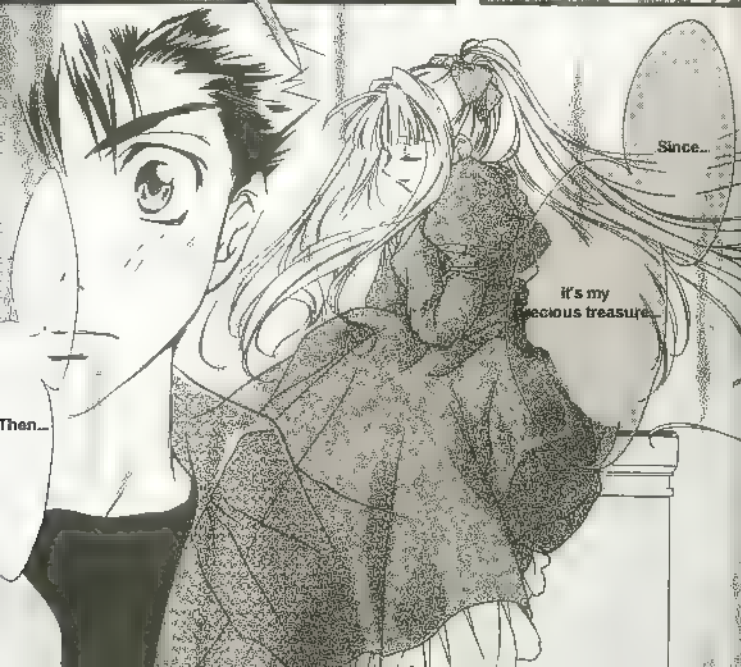

... Who?

Who...

are you?

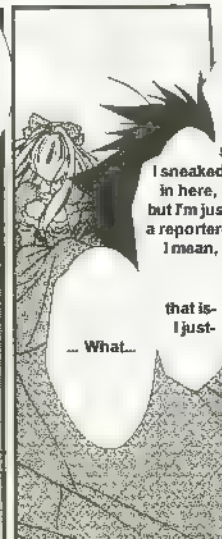

Since...

it's my precious treasure...

Then...

...Are ya doin' here...?

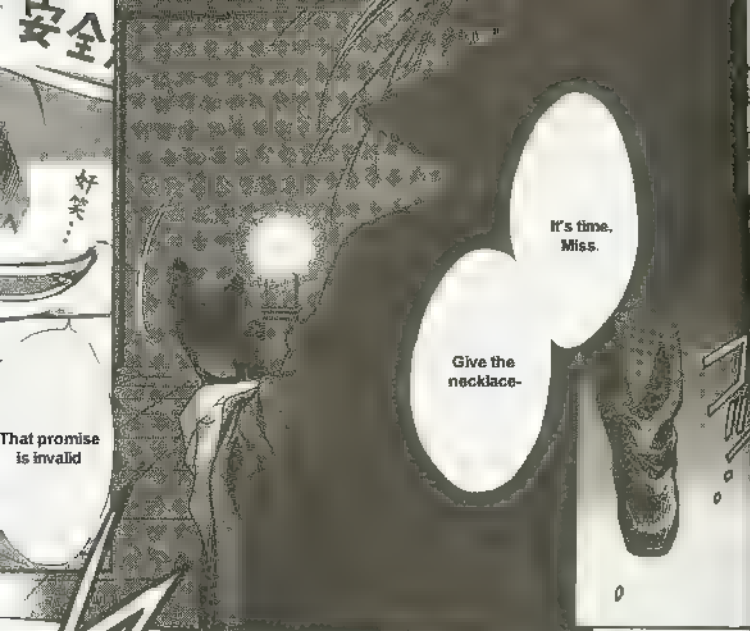

I sneaked in here, but I'm just a reporter- I mean,

... What...

that is- I just-

I-I mean, of course I might seem suspicious since

Ah...! I'm not anyone suspicious or anything!

安全

That promise
is invalid

It's time,
Miss.

Give the
necklace-

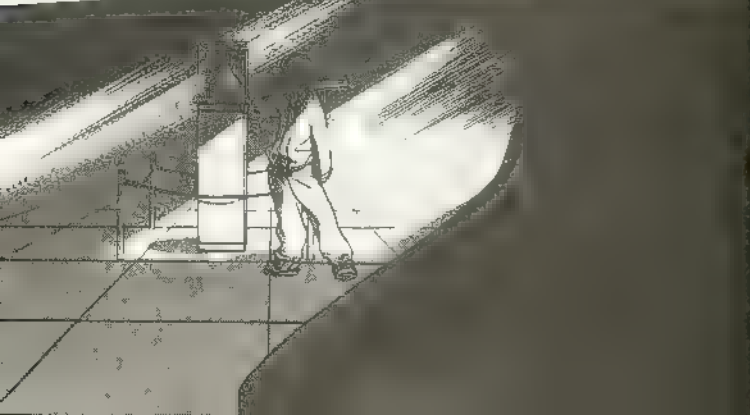

I'll
protect you!

You
don't need
to give it
away to
Dark!

You don't
have to
give it up!

I
will-I!

I don't
think he's
too far off.

Oh!
Don't say
things that
people
might take
the
wrong way!

How can you
just take
something
away from
a girl who doesn't
want to
give it up?!
Is that something
a phantom
thief should
do?!

Kaitou
Dark!

So get
lost right
now!

Ah!

When
did he-?

And
whose
side
are
you
on?!

Sashara?!

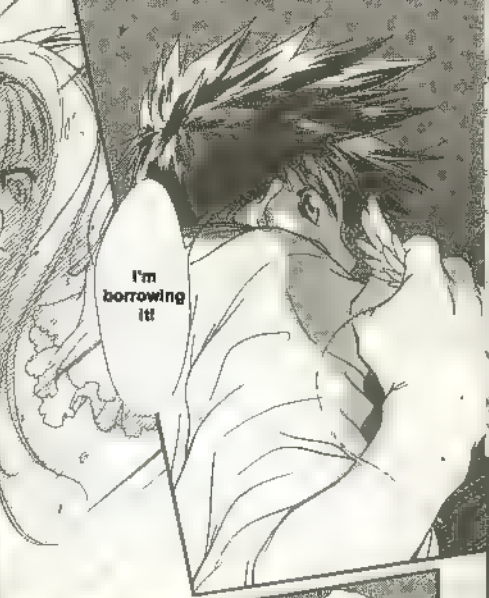

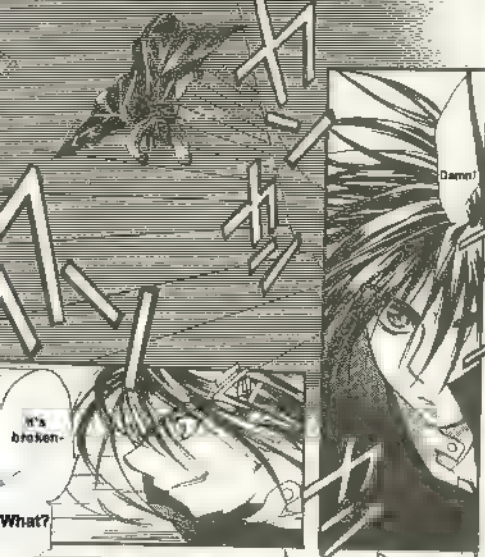

Ah...

I'm
sorry,
Miss.

Hey wait
just a
minute, you-
!!

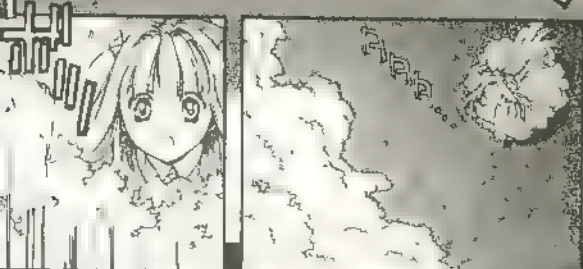

I
don't
need
excuses

Huh?

WITH!

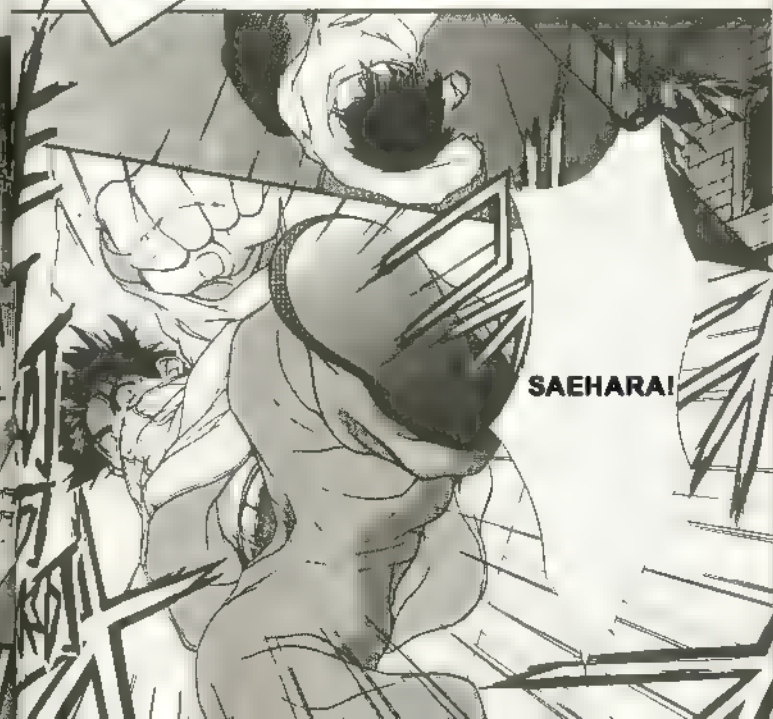

Got..
it.....

You
persistent
creep!

I told you
I'm not
handing
it over-

Saebara!

SAEHARA!

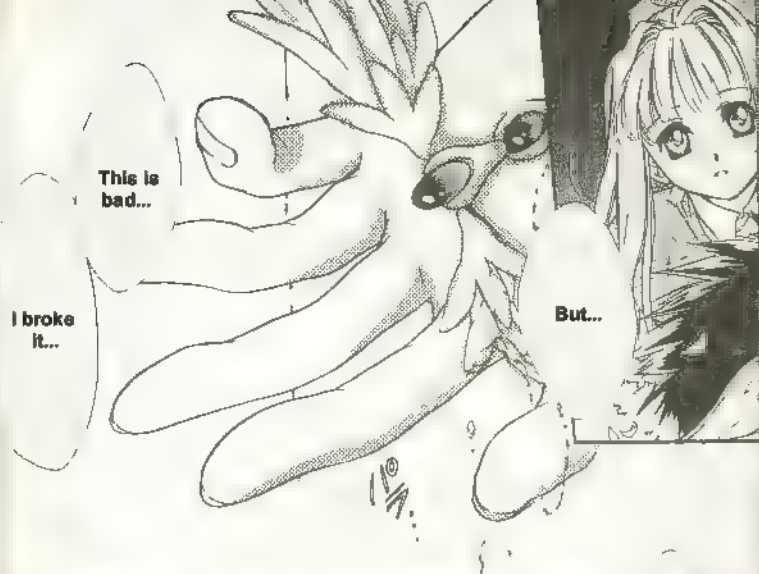

name...

your...

Oh
yeah,

I broke
it...

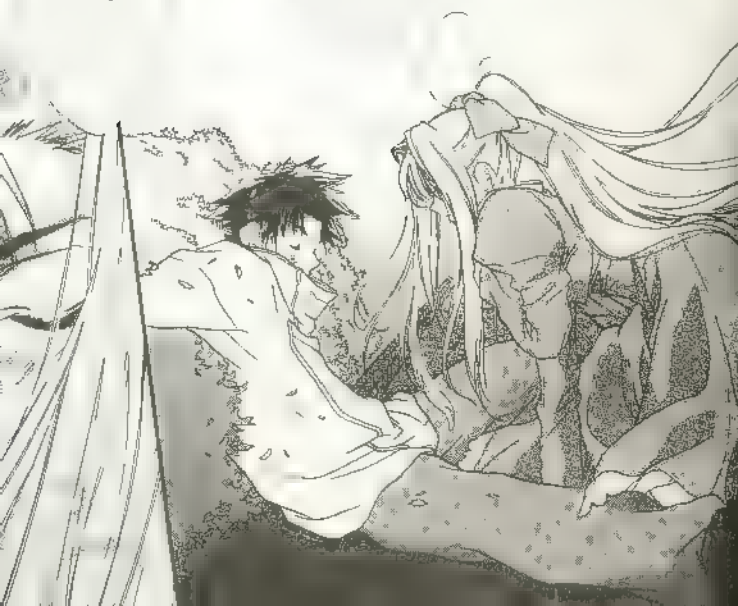

This is
bad...

But...

I am...

Kurashina
Menou...

thank you,
truly.

I'm
sorry...

Thank you...

I was...
always
waiting...

But,
today is
the last...

and I
never
met him...

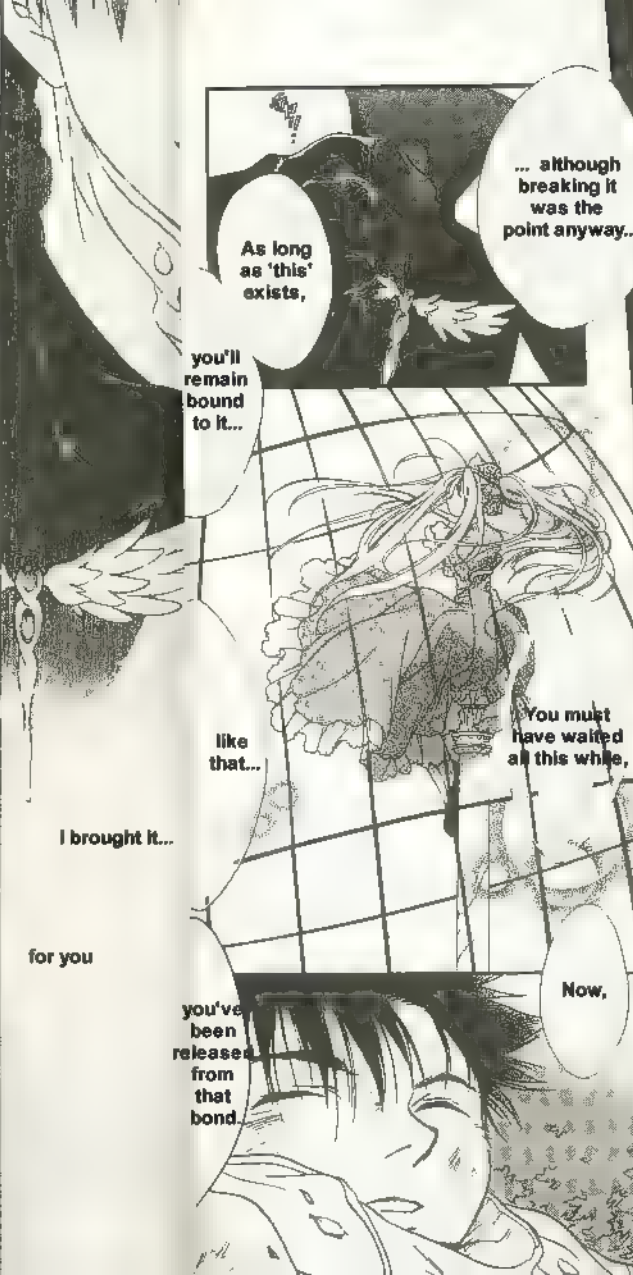

As long
as 'this'
exists,

you'll
remain
bound
to it...

... although
breaking it
was the
point anyway...

I have
definitely
received
'Agate Links'...

like
that...

You must
have waited
all this while,

I brought it...

for you

you've
been
released
from
that
bond

Now,

It's called
'Menou',
just like you...

I'll explain
everything

to 'Grandpa'

Still...

This...

even
though
it's broken..

I think,

it's better
if you
keep it!

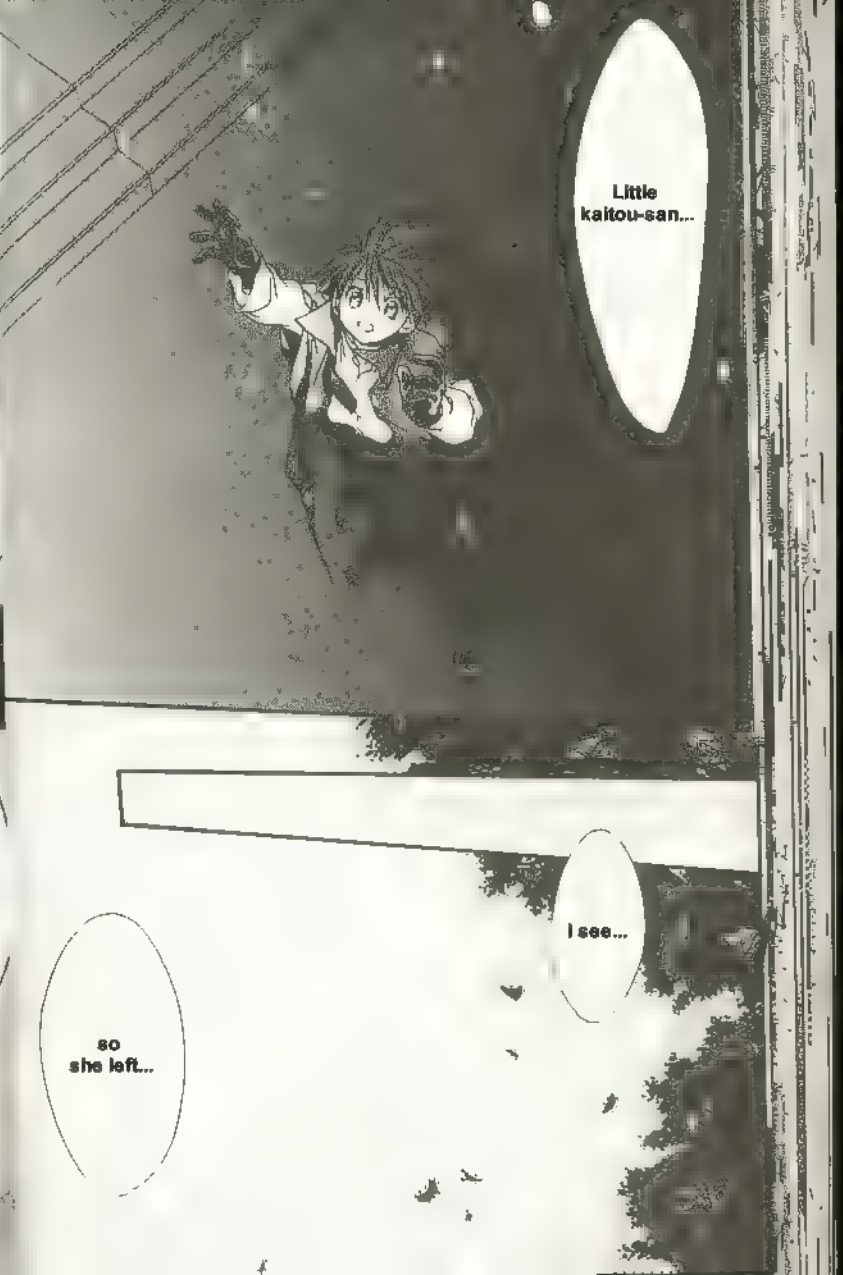

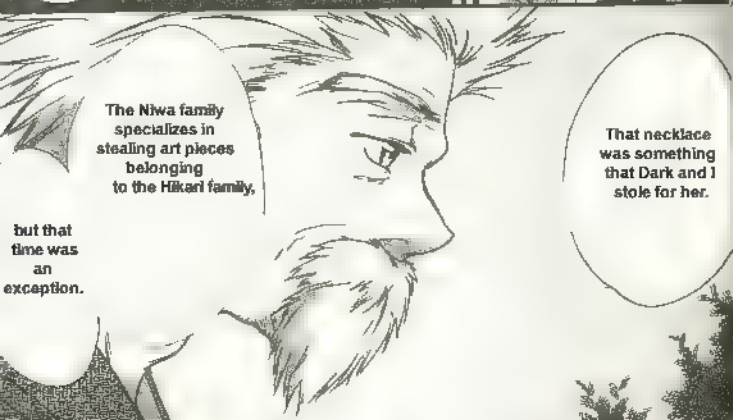

Thank you..

I always
wanted to
show
my
gratitude..

On the
promised
day, finally..

I've
met you...!

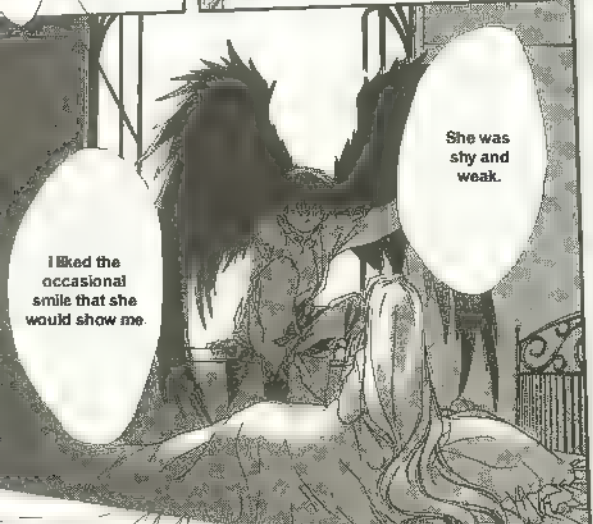

Of course.

You remember that time, too,

DARK.

Clearly.

She was shy and weak.

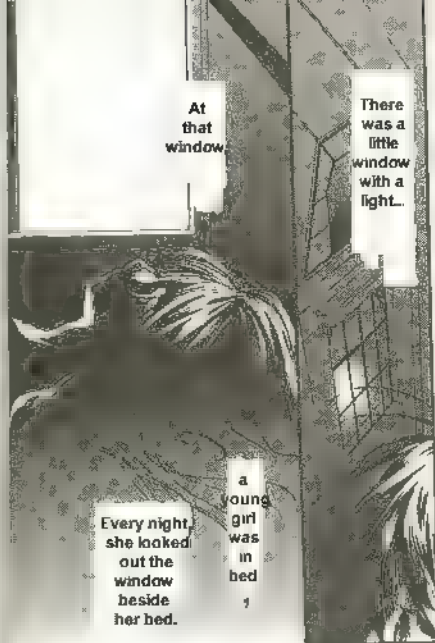

I liked the occasional smile that she would show me.

I didn't know anything about her besides her name, 'Manou.'

But for the first time, I stole something for someone else, and not just as a job.

I wanted to give her 'Agate Links.'

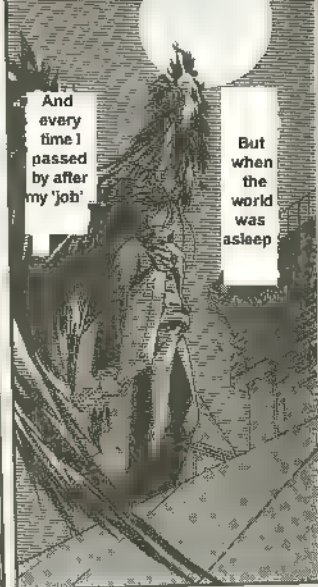

At that window

There was a little window with a light...

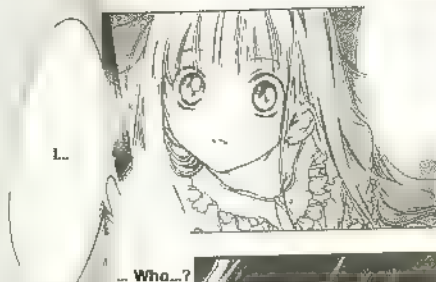

Every night, she looked out the window beside her bed.

a young girl was in bed

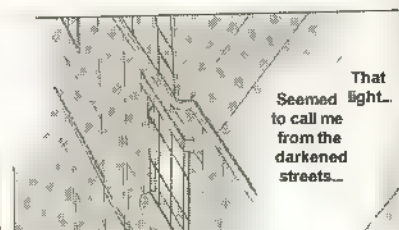

And every time I passed by after my 'job'

But when the world was asleep

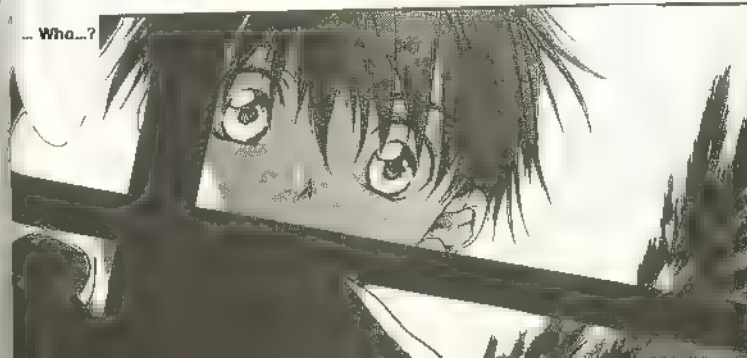

L...

... Who...?

That light... Seemed to call me from the darkened streets...

in her
heart...

My
14-year-old
self

But it was
too late.

She didn't
wait for the
promised day...

And when
I would give
it to her, I was
determined
to tell her my
true identity.

And...

That's also
part of being
phantom thief

Sometimes,
you need to give
dreams to people
who need them.

Being a phantom
thief isn't
all about
stealing things.

Do you
understand,
Daisuke?

she left...

'Cause,

Then you
should have
gone!
Menou-san
was waiting for
you!

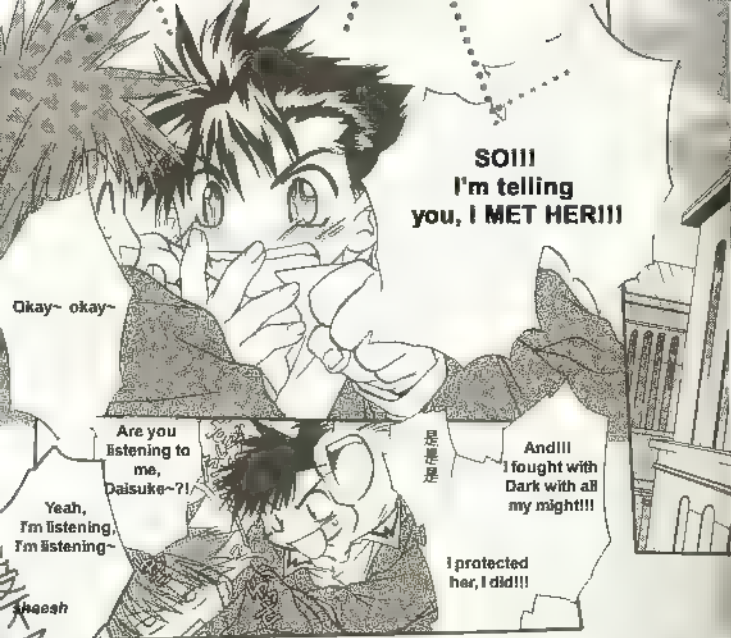

I just left
'Agate Links'
in her hands
and left.

there are things
like lies that
make people
happy...

Not
who
am
I
now...

She was
waiting for the
14-year-old me...

Today
was that
promised
day.

SO!!!
I'm telling
you, I MET HER!!!

Okay~ okay~

Are you
listening to
me,
Daisuke~?!

是是是

And!!!
I fought with
Dark with all
my might!!!

I protected
her, I did!!!

Yeah,
I'm listening,
I'm listening~

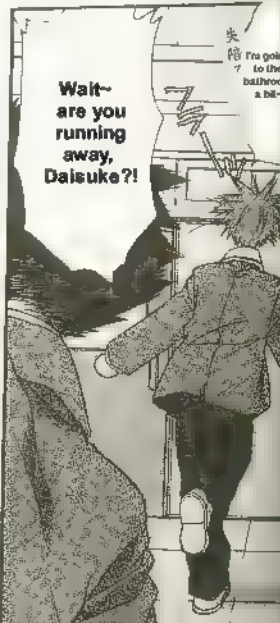

Aaah

I wonder ...

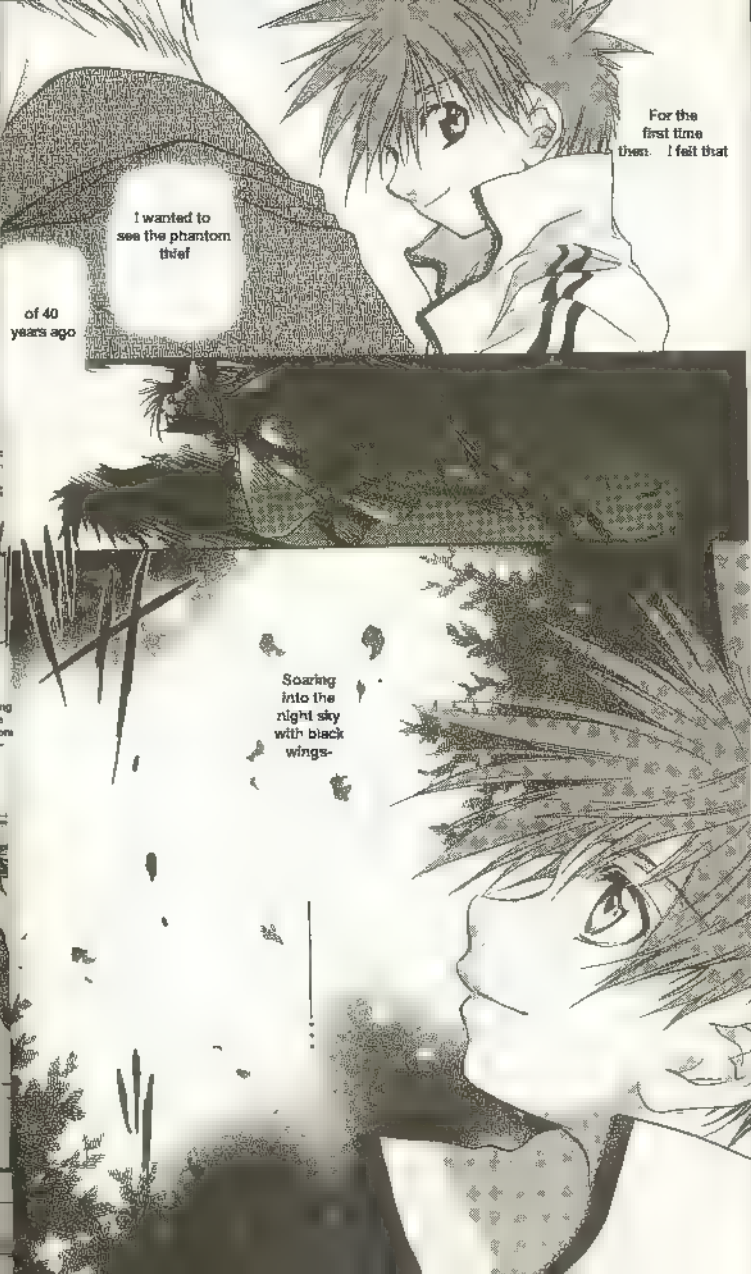

if we should tell him...

that the
person
he met
lived over
40 years
ago...

Wait~
are you
running
away,
Daisuke?!

失
陪 I'm going
to the
bathroom
a bit~

For the
first time
then. I felt that

I wanted to
see the phantom
thief

of 40
years ago

Soaring
into the
night sky
with black
wings-

轟動社會的傳說大怪獸

STAGE2 **1**
vol. **1**

It's
Dark-I

今晚9点
前来拜领
「沉睡的贤者」。

I will take
the Sage of
Sleep at 9
o'clock tonight

Dark

Dark
has
appeared-I

Hello to
all guards-

Can
you
hear
me?

Ah-

Much
thanks for
your hard
work~

On camera
17, Dark
passes
this area.

I placed
guards
at 10 m from
this point.

First,

Look
closely,
investigator

He's stared
into every
security
camera we
have!

That creep
Dark!!

Sorry for
keeping
you all
waiting
so long.

Soushires's
there too,
right?

There's
nobody
there.

Are you
making
fun
of the
police
force-?

Can you
hear
something?

And here

I changed
the positions
right before the
announced time.

Indeed

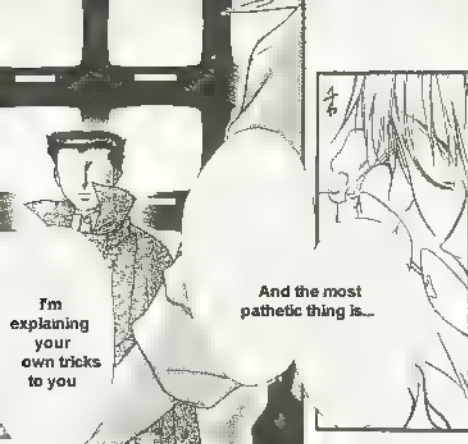

It's
a
trick.

Don't let
him take it!
We'll
definitely
capture Dark!

-you all
waiting
so long.

Soushires's.

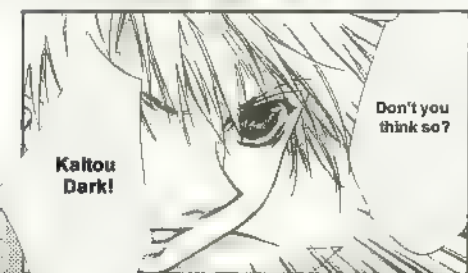

The Sage
of Sleep
hasn't
been
stolen
yet!

And the most pathetic thing is...

I'm explaining your own tricks to you

Don't you think so?

Kaltou Dark!

Simply stealing something isn't exciting.

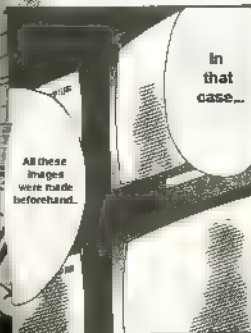

The Sage of Sleep has been stolen long ago!

And this statement.

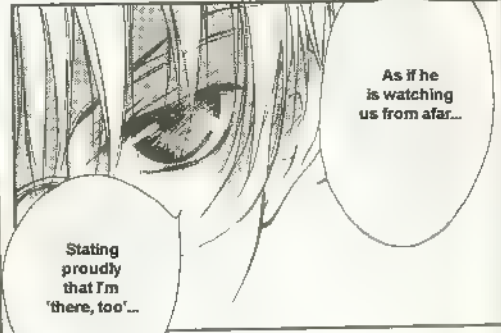

Soushires there too, huh?

Ah, of course.

All these images were made beforehand.

In that case...

Stating proudly that I'm 'there, too'...

As if he is watching us from afar...

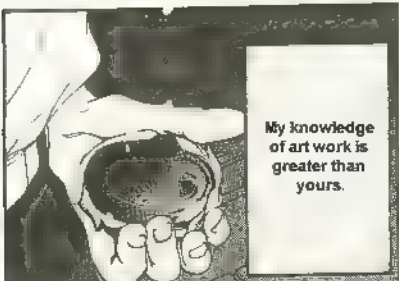

The spot where you can hear the sound of rain is when he passes through Connection Passage 2, where outside noise can easily be heard.

At 6 pm tonight, a shower passed by.

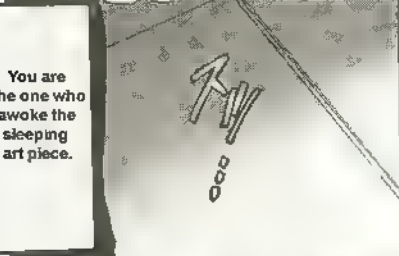

Now that you mention it-I

... the sound of rain.

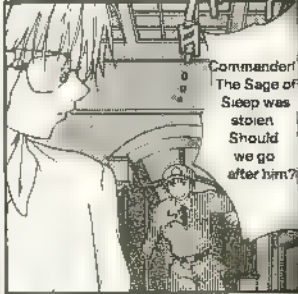

久等了 you all waiting so long.

My knowledge
of art work is
greater than
yours.

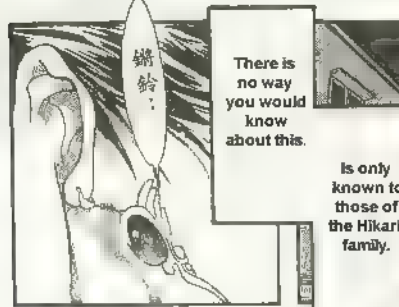

You are
the one who
awoke the
sleeping
art piece.

Commander!
The Sage of
Sleep was
stolen.
Should
we go
after him?

No...
the Sage
of Sleep
will return...

錯鈴！

There is
no way
you could
know
about this.

Is only
known to
those of
the Hikari
family.

The
fact that
the Sage
of Sleep
is
two and
one

I'm taking
the Sage
of Sleep!

錯鈴！

Dark... as long
as you have it
with you,
I'll capture you.

you here

From "what"??

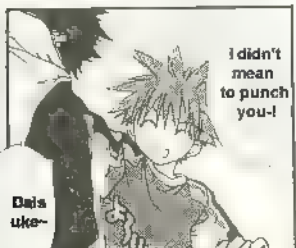

Why am I...

Huh?

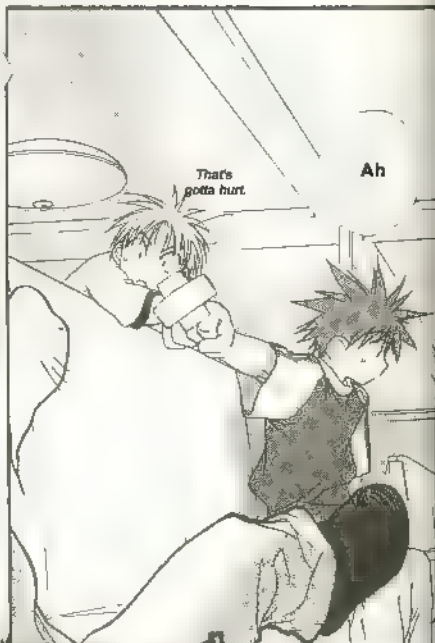

Sorry,
Saehara,

Ah!

I didn't
mean to punch
you!

Daisuke~

That's
gotta hurt.

Ah

I've known
you
for 10 years now.
And this was
the first
time that you've
been 'active'!!

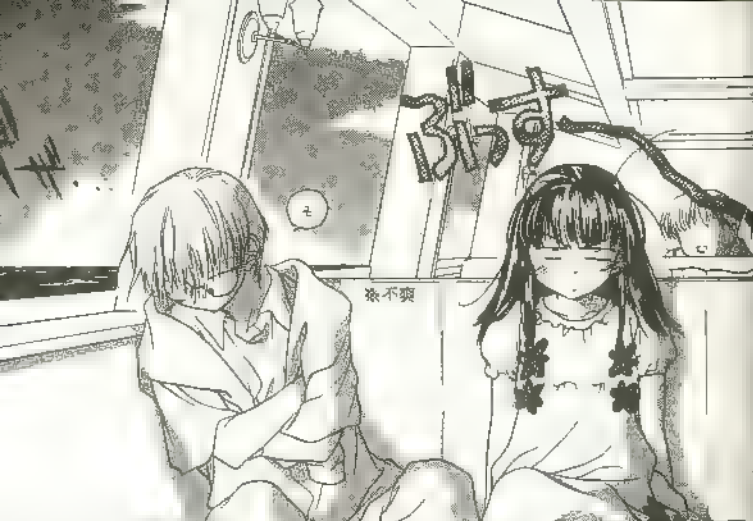

I'm so
HAPPY,
DAISUKE!!!

Gotcha.

UWAAAAA
AAAAA
AAH-----

Owww...

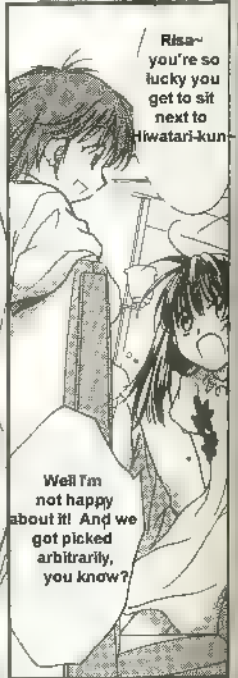

I don't know how tired he is, but he's sleeping like he's DEAD!

Anyway, he's been asleep since we got on the ferry!

What ABOUT him is so cute?

But he's cute even when he's asleep!

Risa~ you're so lucky you get to sit next to Hiwatari-kun~

Well I'm not happy about it! And we got picked arbitrarily, you know?

I, Niwa Daisuke, am on a school trip right now.

Hello everyone.

We're arriving in 10 minutes~

おはよう
みなさん

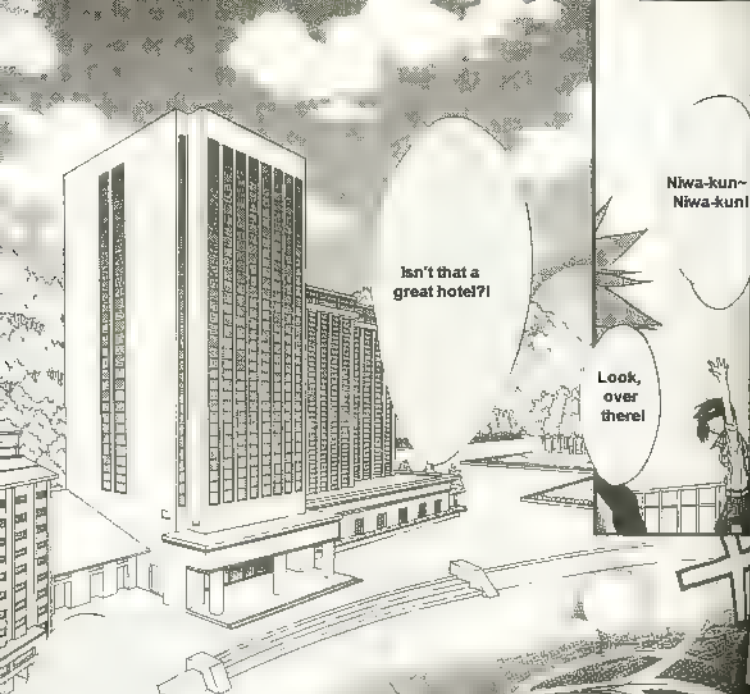

Are they wrestling?

An enjoyable 6-day trip.

He... Help...

We're staying at a beach on a small island for the first two days.

And right now, we're on the ferry to the island.

Isn't that a
great hotel?!

Niwa-kun~
Niwa-kun!

Look,
over
there!

We're staying
there tonight!

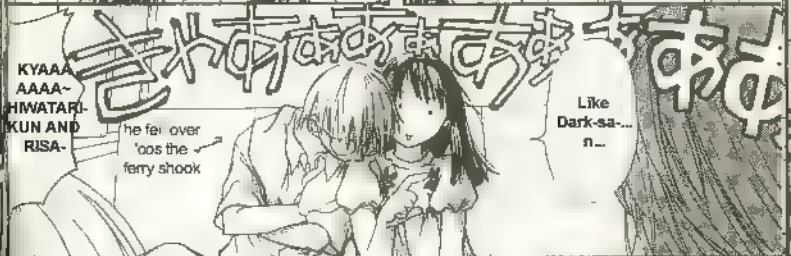

You have
such high
standards...

That's not it!

Of course
there's a
better guy!

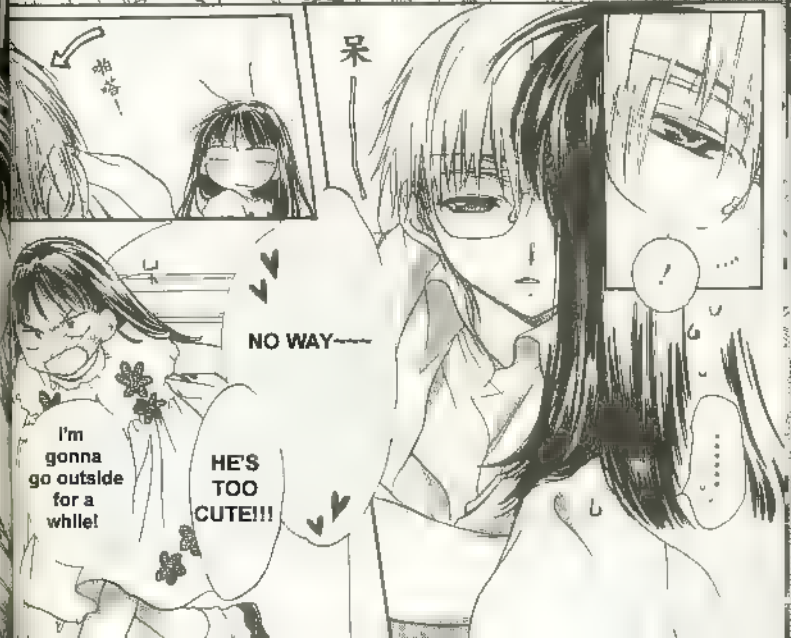

Risa~ if
Hiwatari-kun
doesn't measure
up to your
expectations,
NO guy will

KYAAA
AAAA~
HIWATARI-
KUN AND
RISA-

he fell over
'cos the
ferry shook

Like
Dark-sa-
n...

NO WAY~~~

I'm
gonna
go outside
for a
while!

HE'S
TOO
CUTE!!!

You're free
to do anything
after check-in
until 5 pm.

For those of
you who want
to go swimming,
make sure
to report to
me first.

Always
stick to
your classes!

I don't think
there are any
bears around,
don't you,
Niwa-kun?

There might
be bears!

And don't
go into the
forest behind
the hotel!

In other
words,
6 days with
Riku-san.

Oi,
Daisuke!

Thank you,
God.

As so
awesome-
it's gonna
be fun!

A 6-day
school trip

I can see
your EVERY
thought,
you know!

What
about
me?

I didn't
think of
anything,
not with
Riku-san!

You're not
thinking of
anything
"weird" about
Riku, are you?

What?!

It's
nothing,
really!

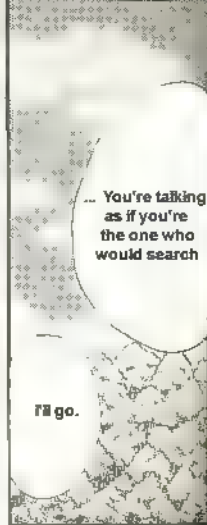

Ah-
it's nothing!

What is it-
I'm curious!

If you
get lost
in the
woods...

then I'll go
look for you.

... You're talking
as if you're
the one who
would search

I'll go.

What
are
you
looking
at?

Uh... yeah!
There aren't
any bears-

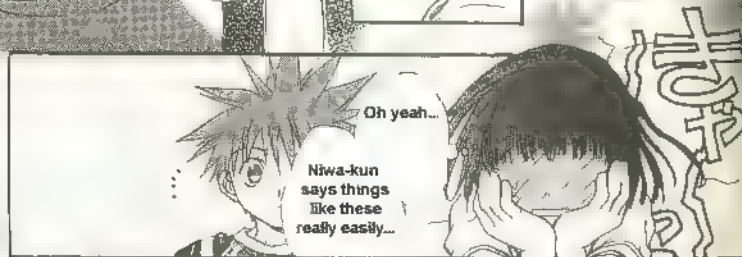

Niwa-kun?

Uh...

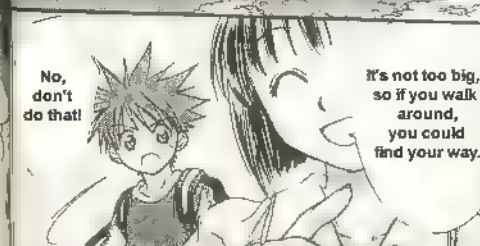

Yeah.

... the
lighthouse?

Oh yeah...

Niwa-kun
says things
like these
really easily...

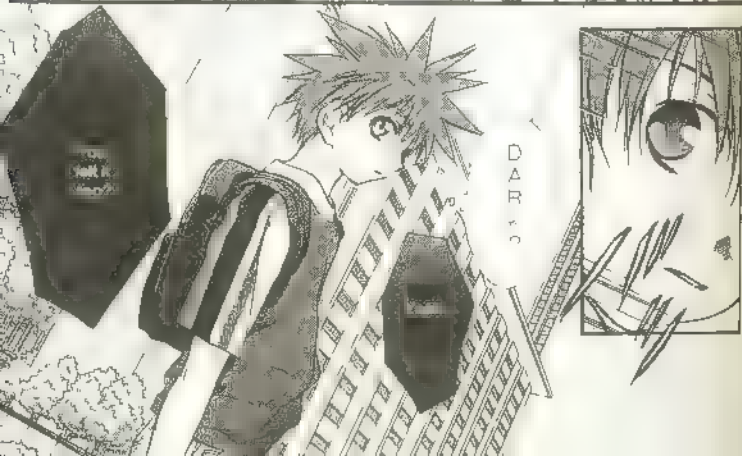

No,
don't
do that!

It's not too big,
so if you walk
around,
you could
find your way.

But you
might get
lost if you go
into the forest.

Get lost?
No way...

If you stay
at one
place,
it's easier for
others to find
you in
an area
as wide
as this.

You shouldn't
just walk
around if you
lose your way.

And the
view is
nice too!

Hey, we're
gonna go
swimming,
right?

What a
pretty room~!

Even seeing
through my
thoughts...

As if...
someone is
constantly
watching me

Are you
tired?
You don't
look
so well...

Huh!

What's
wrong, Risa?

Huh? No!

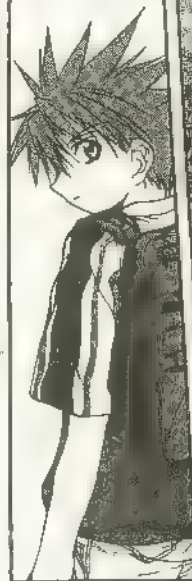

You sure
you'll be
okay?

Riku, you
go
ahead too.

Sure...

That's not it,
but... Ritsuko,
could you go
ahead without
me?

Then
I'm
leaving~

I can't believe I still have to 'work' on my school trip.

Being a phantom thief is a lot of work...

I will take the Symbol of Eternity at 9 o'clock tonight

Done!

and Mom's insisting that she needs the Symbol of Eternity...

A friend means...

huh, I feel odd...

...that you're not 'special'...

But still, it's the hotel But I feel bad for owner's, so we this art piece, have to send left out in the wind and rain a warning notice. like that.

An art piece abandoned on top of a lighthouse like this...

nobody will notice it even if it's stolen.

It would be so much better if we could take good care of it.

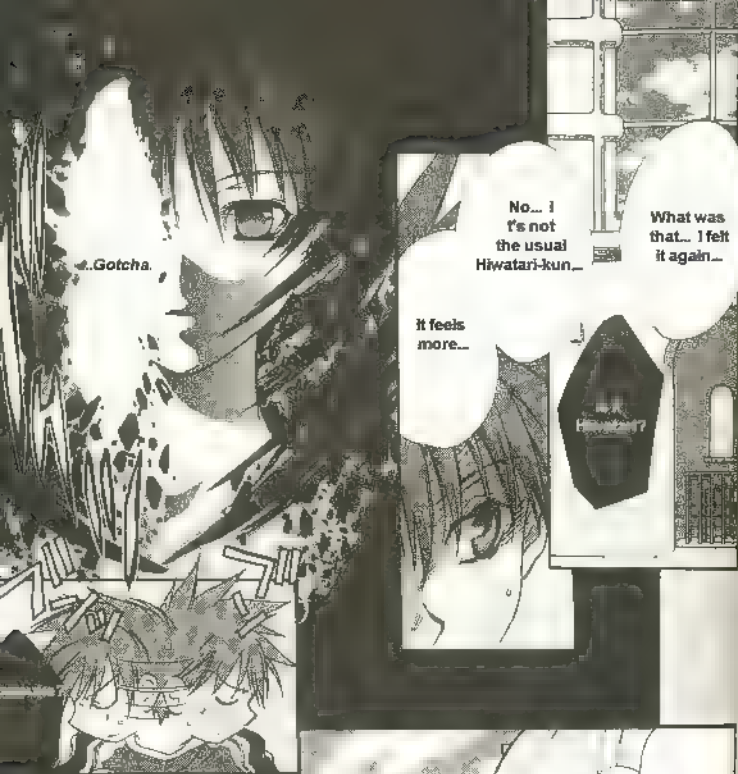

It looks like a really valuable work of art...

take...

I...

will...

...Gotcha.

No... I
it's not
the usual
Hiwatari-kun...

What was
that... I felt
it again...

It feels
more...

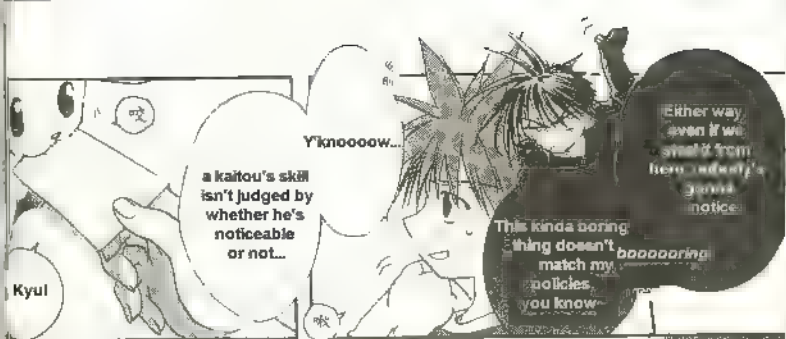

That'll be
'caught' by
something...

It's better
not to think
about it.

To think
that Dark
would
disappear...

That dream
is just a dream.

Y'knowoow...

a kaitou's skill
isn't judged by
whether he's
noticeable
or not...

Kyul

This kinda boring
thing doesn't
match my
policies,
you know~

Either way,
even if we
steals from
him, nobody's
gonna
notice.

I'm counting
on you, With!

Kyul!

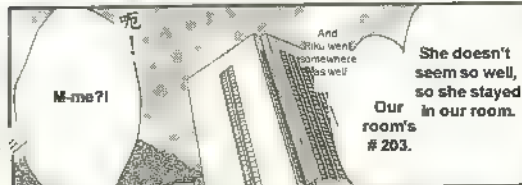

Ah... Yeah.

Are you going back to the hotel?

Could you give this to Risa?

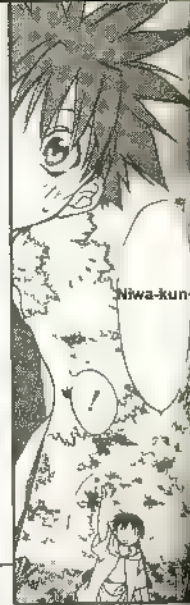

Then,

M-me?!

And Juku went down where this was well

She doesn't seem so well, so she stayed in our room. Our room's # 203.

Niwa-kun

It sounds like it's becoming louder...

The one thing that's bothering me right now.

This metallic ringing inside my head.

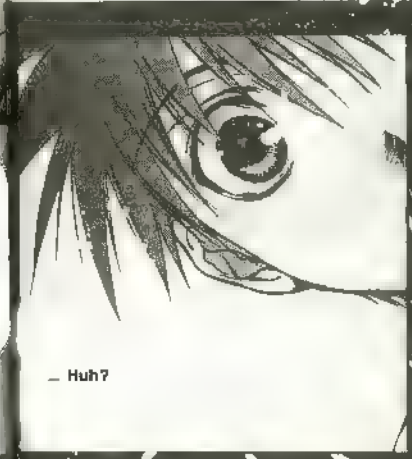

nobody is going in see you.

It's ooooookay!

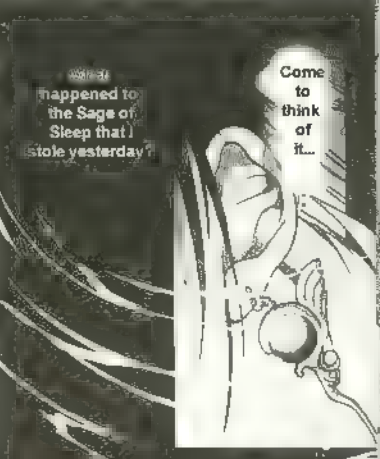

I'm a guy-

But I can't just go into a girls' room!

Then I'm counting on you~!

- Huh?

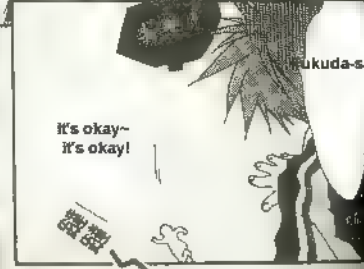

happened to the Sage of Sleep that I stole yesterday?

Come to think of it...

I SAID I can't...

It's okay~ it's okay!

Juku-da-san

I can't remember

Niwa-kun...?

What did
you forget-

Yeah?

Yeah,
in a bit!

Riku,
you're
not gonna
go swimming?

She'll be
better after
she
takes this.

She might
just be
seasick,
though.

Risa always
gets sick when
we come to an
unfamiliar place.

Riku
isn't
here...

Ah...
that's
not it, this...

Wait!

It's from
Fukuda-san.
Then I'm off...

For me?

You didn't
seem to
well, so...

208

Then
I'll feel
much better!

Just
tell me.

Riku-
san...?

Something
about this
just doesn't
feel right!

L

Risa,
I'm
coming in!

...huh?

But, we
can't just
go in-

It's okay,
so just
come in.

I want to
talk to you
for a bit...

we can't just
stand out
here in the
hallway, so come
on in...

Do you...

really
like Riku?

Harada-san,
what did you
want to talk-

It's about
Riku.

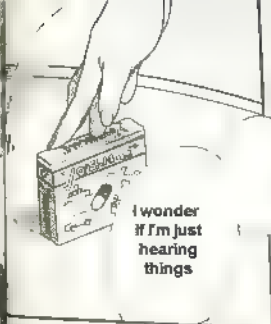

這叫做危機！

You 1-1-idiot!!
What do you
mean,

GO

It's your

This is baaaaa-

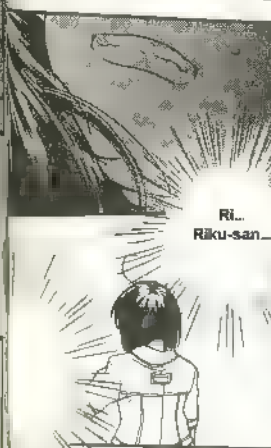

I wonder
if I'm just

things

How odd...

Huh?

I thought
I heard
something...

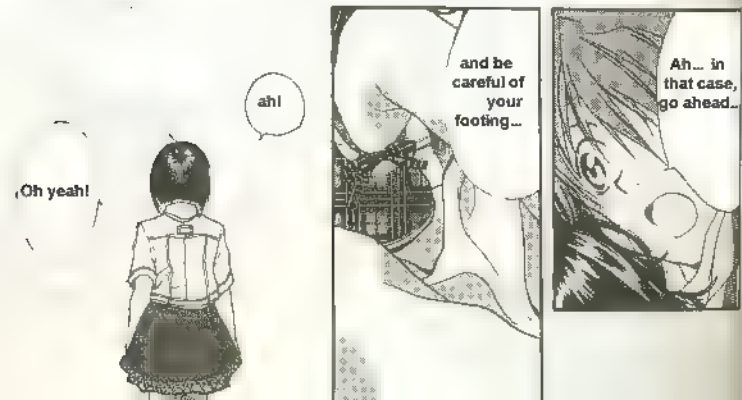

Ri...
Raku-san...

Niwa-kun...

I think it's
okay to go
outside now...

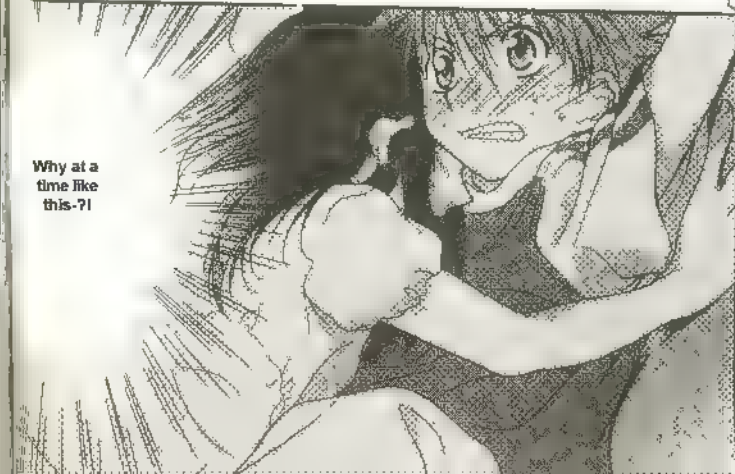

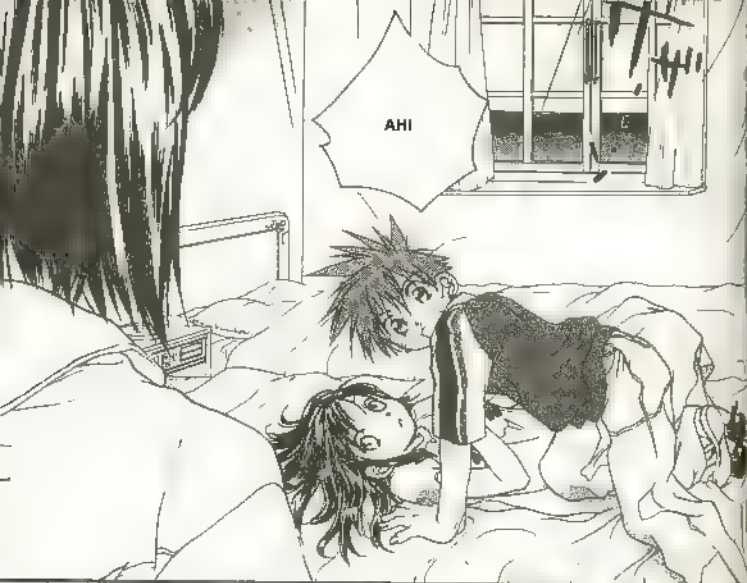

ah!

and be
careful of
your
footing...

Ah... in
that case,
go ahead...

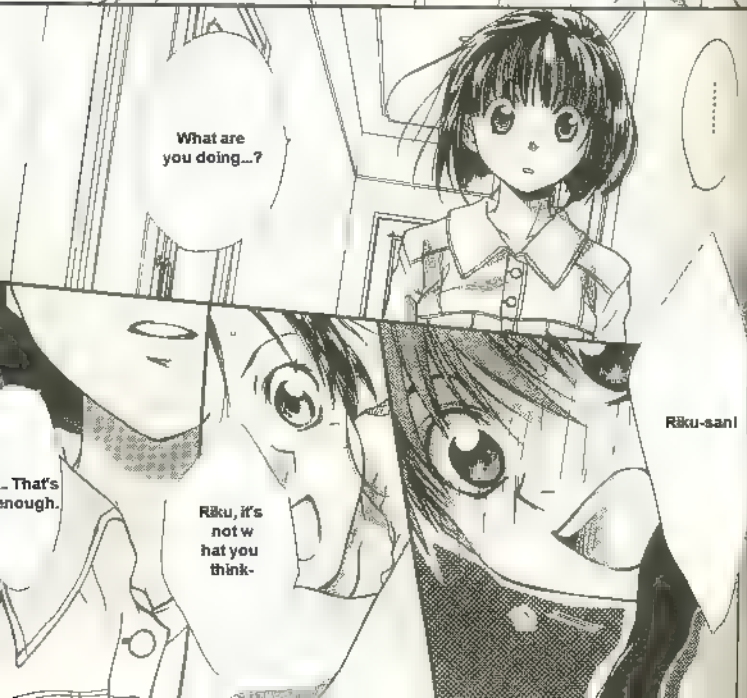

Why at a
time like
this-?!

AHI

WAAAAAA
UUUUUUUG
GGGGGH
HHHH-

What are
you doing...?

Riku-san!

enough.

Riku, it's

think-

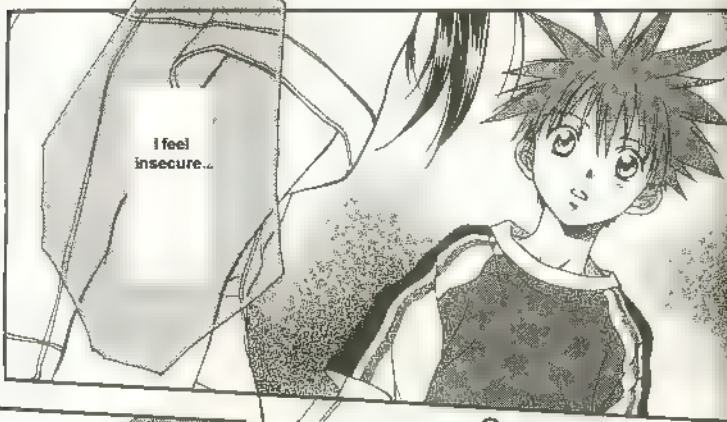

I forgot
my swimsuit-

Wah-!

Kya-

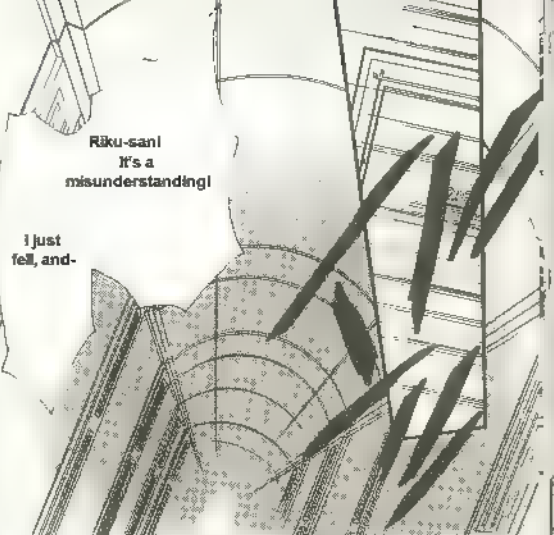

Owww...

I feel
insecure...

It's really
nothing!

Riku-san!
It's a
misunderstanding!

I just
felt, and-

Wha...

You're
wrong,

Riku-san...

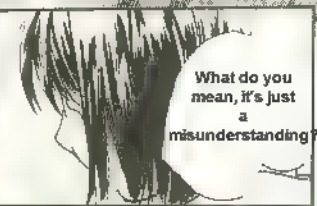

I'll...
talk to
you
later on...

How
should
I know?

How...

What do you
mean, it's just
a
misunderstanding?

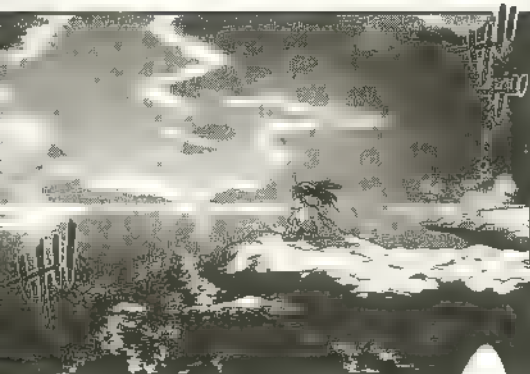

If it's not
for you, I...

Right now...
don't come
after me...

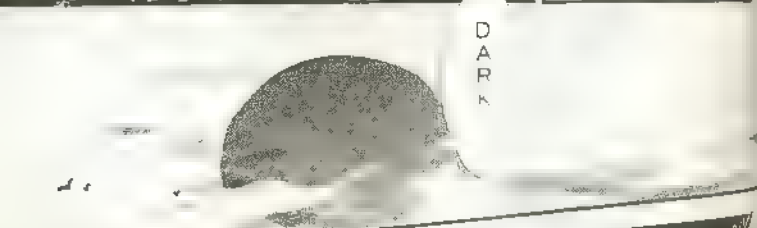

I always felt
uneasy... Really...

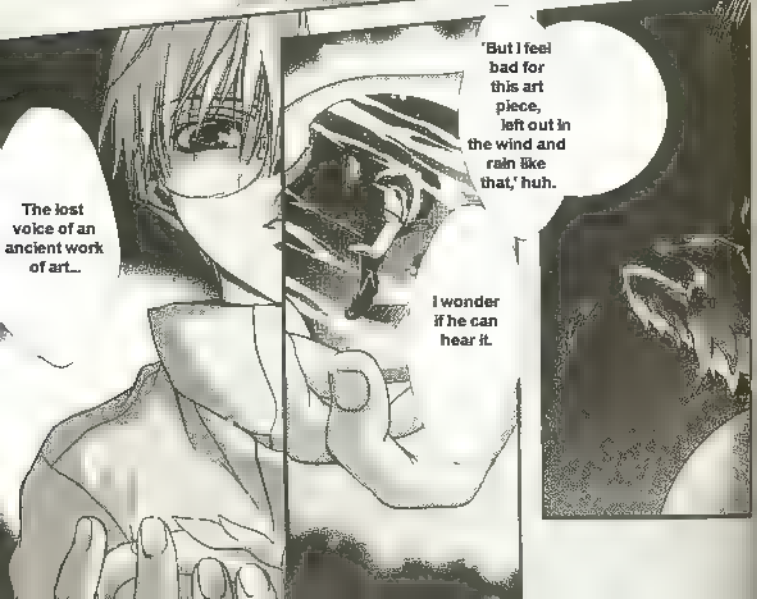

I was afraid that
Niwa-kun liked me
only because I'm
'the same' as Risai!!

I can't
change into
Dark any more-I

'tendency'

Riku-san and
I like each other
now, but it's still
the same.

I wonder
why.

What?

Soushiei-

But
that's-

Enough
chit-chat!

He seems
to have been
waiting.

Hiwatari-kun...

As long as
you don't tell
Riku that you're 'me,'
it's not
gonna work.

... or so
she said.

You'll turn back
to normal if you
like each other!

To say that
you like 'each
other'...
how cute.

I told you,
didn't I?

How can only
one side of the
equation work?

That

I am

Most
definitely

I'm gonna
go to

I'm
back...

Ah!
Welcome
back, Riku!

You're okay
with sleeping
next to Risa,
right?

Hey~
I'll take
that bed,
okay?

... you guys
are both
acting
a bit weird
today.

Ah!
Yeah,
sure!

Riku?

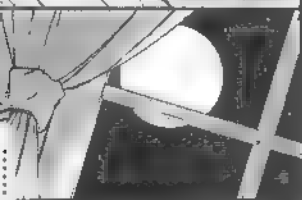

Riku!

I know.

There's nothing between me and Niwa-kun...

That... was a misunderstanding...

That kind of a thing.

Good night.

I shouldn't have said it.

Then I'm gonna go over next door!

I'm taking the key~

不會吧！

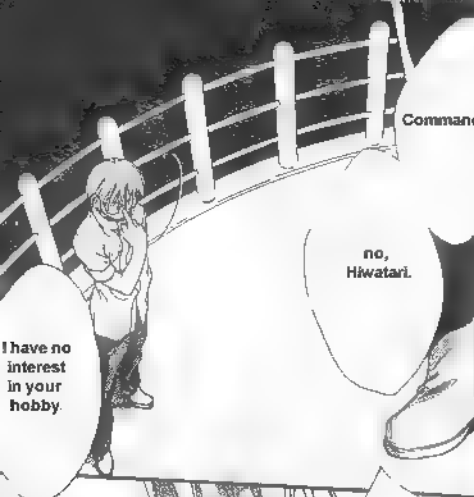

Hey~~ that's no fun~~

I'm sleeping, too.

Sorry.

Riku...

Commander...

no,
Hiwatari.

I have no
interest
in your
hobby.

All I want
is you.

... I don't wanna
hear that kind
of a thing
from a GUY!!!

You seem
to always want
to disrupt my
work somehow

me only
because I'm
'the same'
as Risai!!!

I was
afraid that
Niwa-kun liked

is
becoming
larger and
colder in
my heart...

This anxiety
that I finally
realized after
I said it...

Niwa-kun's
hurt
expression...

I shouldn't
have said it.

It's painful...
Niwa-kun...

I shouldn't
have said
something like that...

Niwa-kun

If you
"can"
run away.

You've
already
been caught.

A mirror?

And that
is also the
worth of
your existence.

Then,
let me pose
a question
to you.

This
sound!

Dark, you know very
well that works of
art made before
the Cultural Revolution
have magic in them.

Right now!

I'll steal it
before it
gets too
cold up here!

In that case,
run away with
those wings
you're so proud of

You're at
a disadvantage
without wings!

...Wings?

Now-
return!

SH'TII

DARK!

It has the
attribute
of seizure?!

Yes, that's
the answer!

I don't
have it!

The Sage of
Sleep is two
and one-

Wherever
they are-

Then
Dark-

Where's the
Sage of Sleep
that you stole
last night?

they
call
each other!

!?

DARK

this is
your end!

Daisuke!

GO *BACK*!!!

It's
okay!

But If
I let go-!

It's
no use!

Don't
come!

DARK!

But didn't
you say so
yourself?!
I am you!!!

NO,
I'LL
NEVER
LET GO!

I could
survive for
a while in
there!

滴!

滴!

!!

...

... I'm
sorry...

... Niwa...

The damage
on this side is
worse than
I thought...

But in return,
I was able to
capture Dark...

Sh'u

!!

Has the
magic gone
out of control?

... no...

啊啊...

This is...

た...
た...
た...

ri...

kun...

kun...

Hiwatahi
kun...

Wings?

So that
'he' may
never
awaken...!

And do not
hold anything
dear to you...!

Kill
yourself...

'He' is...

tearing
into me-!!!

Blood
of
'Hikari'...

The cursed...

The sound
of wings...?

Pure
white
wings...

You have
awakened

Who...

No,

It's
not
Dark...

DARK!

You were
alright...!

DARK...

The Wing Master of my kind,

I must pay you respect...

Yes.

咬

I have waited...

Who are you...?

for you to wake up...

Niwa
Daisuke...

I have waited...

Who
are you...?

for you
to wake
up...

Before that...

shouldn't you worry about yourself first?

!!

Ah!

Teikyu...

WITH!

Why did you do such a thing!?

'Teikyu' basically means someone of a very low or vulgar rank.

.....
R K
.....

From
that
dream...

Die.

Gotcha.

My name
is 'Krad'.

You do
not have
to
remember it.

But...

Ugh!

This is from
'that' dream...

Because
here...

I remember now...

You will...

在一年只有一次名為
「生日」的紀念日裏，

我只想送禮物給二位女性。

一個是我喜歡的人，

特別篇
笑容的預告

而另一個人是—...

是DARK...?

Wings...

Mm...
